Clause 1

VM BUILDING SOLUTIONS s.a.s. - VMZINC brand with a capital of € 28.800.000, located at 40 rue Jean Jaurès, 93176 Bagnolet, SIRET number 34296500100015, in partnership with personalities from the world of architecture and the building industry, is organising the Trophée ARCHIZINC by VMZINC, from September to December 2017.

Clause 2

This competition is free with no obligation to buy and is strictly reserved for architects and design teams who work independently or who are employed by an architectural firm or design office. Employees of VM BUILDING SOLUTIONS companies and the organisers can not participate.

Clause 3 Eligibility

Conditions for eligibility are as follows:

- Architectural projects with zinc from VMZINC, roofs and/or facades,
- over 100 sq m of surface covered with zinc,
- projects where the specification and installation of the zinc follow recognised good practice and VMZINC recommendations,
- which were inspected and handed over after January 1st 2014,
- which have not yet been featured in FOCUS ON ZINC.

Clause 4 Obtaining application packages

Registration packages can be obtained in three ways:

- By downloading from our web site: www.v mzinc.com,
- By requesting from specific emails sent by VM BUILDING SOLUTIONS - VMZINC brand,
- By requesting it from the organisers, VM BUILDING SOLUTIONS - VMZINC brand.

Simply indicating interest by talking to the VM BUILDING SOLUTIONS representatives will not be considered as a valid application.

Clause 5 Registration of applications

Registration for the competition is effective on receipt by VM BUILDING SOLUTIONS - VMZINC brand of the registration file with all the required information duly completed before December 31, 2017. An email from the organiser, VM BUILDING SOLUTIONS - VMZINC brand, acknowledging receipt of the file and its contents and assigning an identification number to the file will confirm acceptance of the application.

Clause 6 The registration file

The file will consist of the following to be included with the registration material:

- The registration form completed in full,
- The reasons for the architectural choice for the project (optional)
- A selection of photos of the completed project for the jury showing the architectural quality of the project and the areas covered in VMZINC. These photos shall be in digital form (high-definition resolution).
- Drawings or sketches in computer form (use eps, dwg, dxf or jpeg files). These must include at least 2 of the following:
 - A block plan of the building, a perspective drawing or an axonometry
 - Layout plan of the zinc roof or facade elements
 - Section of the main part of the roof or facade complex
 - Detail of zinc working drawings.

Clause 7 Categorie

The four categories to be judged will be the categories usually featured in FOCUS ON ZINC:

- Collective housing
- Individual housing
- Public Buildings
- Commercial buildings

In addition, Special Prizes may be awarded by the Jury, for "Innovation", "Tradition" or "Sustainable building" or others.

Clause 8 Choice of categories by candidates

The architects wishing to compete may choose their categories. Architects can submit one or several projects in one or several categories. However, each project must be submitted in a separate application file.

Clause 9 Composition du Jury

The jury members are professionals from outside the company. The Jury reflects the international nature of the competition.

Clause 10 Selection criteria

The identity of the architects whose projects have been submitted will be kept secret, in order to ensure the complete neutrality and impartiality of the jury. Nevertheless, all the elements submitted must be clearly identified so that the dossiers remain complete. The jury will decide on the criteria for assessing the projects entered in each category before March 2018, the date set for judging the entries.

The criteria will be based on the use of innovation, the quality of the projects, and the creative use of zinc.

The decisions of the jury are final and no recourse can be sought against them.

Clause 11 Awards

The winners' projects (category winners and Jury's award winner) will be highlighted in a special edition of the international magazine, FOCUS ON ZINC.

About 50,000 copies of this magazine will be published in October 2018 at the latest, and will be distributed to owners, architects and design teams in at least 10 countries.

If the organiser judges it necessary, in order to ensure the quality of the FOCUS ON ZINC magazine, a photo report of the buildings selected for publication will be carried out after the results have been announced. The organiser, VM BUILDING SOLUTIONS s.a.s. - VMZINC brand, will be entirely responsible for the costs and fees for these photo reports. If photos submitted in the file are used, the copyrights for this publication will be transferred to VM BUILDING SOLUTIONS s.a.s.

In addition, the winners will receive a work of art (the Trophée ARCHIZINC) to mark their success. They will also receive 100 copies of the magazine (50 copies for the runners-up).

Clause 12 Submission of application dossiers

The deadline for returning the application files is December 31, 2017.

Applications can be sent by email to the following address:

Trophee.Archizinc@v mzinc.com.

The descriptions and items to be provided are listed in the application file.

By submitting these items to VMZINC, the candidate accepts their unlimited use in all media (time and space) and for advertising or promotional purposes.

The items can be returned to participants at their request after the trophies have been awarded.

Clause 13 Announcement of results

The jury's decision will be announced during the ARCHIZINC Trophy Awards ceremony in June 2018.

Clause 14 Administration

The Trophée ARCHIZINC, is managed by the VM BUILDING SOLUTIONS s.a.s. - VMZINC brand company. The organisation reserves the right to modify these rules if necessary. Participants will be notified in good time of any changes.
